April 20, 2012

M. Dale Moser,  
President and CEO  
Coach USA Inc. / Megabus,  
160 S Route 17 North,  
Paramus, NJ, 07652

Dear Mr. Moser,

This is in response to your letter dated April 16, 2012 where you pointed out possible misstatements on our website [www.chekped.com](http://www.chekped.com). We take the issue of accuracy very seriously.

Our statement related to safety is based on the Federal Motor Carrier Safety Administration (FMCSA) Safety Management System website showing a “safe driving” rating of 74.5 for Megabus Northeast LLC on a scale where 1 is the best and 99 the worst. The website further notes that “this carrier exceed the FMCSA intervention threshold [...] based upon roadside data and/or has been cited with one or more serious violations within the past 12 months during an investigation.”

Although we trust the Port Authority police to be a reliable source for the name of the company associated with the driver’s arrest we mentioned, we have accommodated your request and removed any reference to the Star Company name from the website. The letter to chairman Vacca does not make reference to this company.

Indeed it is the Administration of Quebec – and not Toronto as we mistakenly indicated – that refused to issue Megabus a license based on the weight of the buses and the use of the streets for boarding. We will make sure all the parties are apprised of the correction.

We appreciate your offer to dialogue, and will take you up on it, as our numerous efforts in this area have been for naught, while Megabus operation remains a problem in our neighborhood.

C. Berthet, co-founder, M. Treat, co founder,

Cc: J. Vacca

CHEKPEDS is a coalition of over 1,500 businesses, individuals, and institutions dedicated to pedestrian safety in Clinton and Hell’s Kitchen, on the West side of Manhattan and the sponsor of the 9<sup>th</sup> Avenue Renaissance project. [excom@chekped.com](mailto:excom@chekped.com)
